PE AND SPORTS PREMIUM

Newton Road School believes physical education is an essential and integral part of a child's educational development. The core components of the curriculum centre on movement, key skills and social interaction. We believe that physical education should teach students to recognise the diversity of individual ability whilst helping them to understand that participation in sport is just as important as gaining success from it.

We want them to strive for excellence and to make the most of their sporting abilities. However, we also recognise the importance of teaching the young people in our care how to win AND lose, how to show correct sportsmanship and how to demonstrate respectful conduct and fair play.

Developing a balanced, Physical Education Curriculum, offering a variety of activities, provides students with the opportunity to develop acceptable fitness levels, a broad spectrum of skills and the knowledge necessary to use those skills for a lifetime of active participation. We feel positive participation in physical education will leave students with a legacy of success, facilitating an active lifestyle.

Meeting national curriculum requirements for swimming and water safety 2020/2021	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year, please report on their attainment on leaving primary school.	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?
